

Welcome to the Industrial Fashion Fair - DVH'06

More than 100 exhibitors are already registered.
Send your application tomorrow!

June, 2006

We learned a lot from the exhibition on board MS Trollfjord. We are now taking the best of those experiences and continuing with **DVH'06 1. - 3. november 2006** which will be located at Exporamasenteret, Hellerudsletta near Lillestrøm.

The last time we were there it was a success. This year's Fair will be an even bigger success. Former participants and new exhibitors will lay the basis for a new, successful Fair on the Coastal Ship in 2007.

At Exporama await a practical exhibition hall, a well-equipped conference centre, good restaurants, good service network and spacious parking places. The Industrial Fashion Fair is adjusted to the wishes from exhibitors, visitors and organizers.

Your company can start planning participation in the Industrial Fashion Fair 2006 as early as tomorrow. The Fair will again be a large meeting place and a unique social arena for customers, vendors and suppliers, which will build a prosperous network.

Preliminary program

1. Exhibition with visitors from leading industrial and offshore companies in Norway, TESS management and TESS' most important customers.
2. Seminar and professional updating.
3. SpeedMatch
4. Social events
5. Fashion show

The exhibition will again be sponsored by TESS through reduced stand rental and the best possible service before, during and after the exhibition. **We can offer 5 different stands, designs from 6 m² to 40 m², and rental prices from NOK 20 900.00 to NOK 93 300.00.** Please see detailed prices in application form for exhibitors.

Do not hesitate to contact our Exhibition Secretariat on tel. +47 32 84 40 45, or e-mail to dvh@tess.no if you require further information.
